

YOUR NEW BACK YARD!

Centre info

Welcome to Stamford - one of the finest Georgian towns in England - where you will find outstanding shopping, cafes and restaurants, and a beautiful combination of picturesque streets and stately grounds.

In Summer 2023, the old Stamford High School site was transformed into a new bespoke Sixth Form site, St Martin's. It provides the perfect collegiate setting for us to host our esa programmes.

The centre includes a new coffee shop area, library space and common room as well as a modern teaching quad, specifically designed to support collaborative learning. St Martin's is also just a short walk away from the Wothorpe Sports Centre.
