Benedetta

We've put together some fantastic **English Plus** programmes which focus on specific interests.

We can offer these in parallel with our standard programmes in summer.

English Plus students will follow the same 15 hours per week of English lessons as other summer students, but focus on specific interest sessions in their chosen subject for the activities part of the programme.

Check out the programme sample and subjects for 2020!

Here are the English Plus Summer 2020 programme options to get you inspired:

The students who choose a tennis focus will receive 20 hours of coaching by coaching professionals, through a combination of training exercises, sports theory, sportsmanship development and matchplay. Uppingham has a range of outdoor and indoor Tennis courts as part of its suite of top class sporting facilities.

Summer Programme with **Football** (Uppingham)

Summer Programme with **Art & Design** (York)

We're working with Queen Margaret's school - our York centre - to combine the fantastic facilities and setting with 20 hours of creative Art & Design sessions as an option during the Summer programme. The students will try different mediums and develop new skills, before putting together an exhibition to be critiqued at the end of the programme.

Summer Programme with **Drama** (York)

An incredible state of the art performance theatre awaits those who choose Drama sessions as an option during the Summer programme. The students will be coached to practice & develop their performance skills, and gain confidence in expressing themselves by the end of the programme.
